

Brentwood Gymnastics Club

SPECIAL END OF TERM 1 NEWSLETTER

We have all experienced another week of changes that are having a significant impact on all our lives and, as you are aware, due to Government announcements regarding non-essential services, Brentwood Gymnastics Club, is no longer able to offer gymnastics sessions for the time being.

At the moment we are unable to advise when classes will resume as we must wait for the advice from the governing bodies, such as the Federal and State Governments, Gymnastics Victoria and the Monash Council.

This pandemic has already impacted us all and the Committee of BGC would sincerely like to thank our Brentwood Gymnastics Club members and their families, and our coaches, for their understanding and continued support during this critical time.

We encourage our members to remain vigilant, continue to adhere to health and hygiene guidelines and, most importantly, to look after yourselves and stay safe!

EXCITING NEWS FROM TERM 1

PARTICIPATION:

In addition to our high retention rate from 2019, we have welcomed new families to our club this term with 96% of trial students enrolling! Welcome to you all.

Gymnasts have been working hard all term, practicing and refining their skills. Congratulations to all the gymnasts for their incredible achievements this term, including the Friday Level 4 class who jumped to the high bar for the first time! A great achievement.

NEW EQUIPMENT:

We would like to take the opportunity once again to thank everyone who participated in our 2019 fundraisers.

With a portion of the money raised, we have purchased some great new equipment thus far, which we are very excited to show the gymnasts when classes recommence.

Here is a sneak peak of some our new equipment:
