WELCOME NEW AND RETURNING FAMILIES TO 2018
GYMNASTICS AT BRENTWOOD GYMNASTICS CLUB

We have had an increase in enrolments this year, with a large number coming from Notting Hill Gymnastics Club and it's great to see so many smiling faces at the gym. We are now able to run additional classes, including 2 boy's classes.

Our coaching team is looking forward to the year ahead, aiming to help all gymnasts achieve their best and continuing to develop and improve their skills.

2018 is going to be a great year with exciting fundraising events and fun filled lessons.

Reminders

All gymnasts must be picked up by a parent or guardian from the foyer area of the gymnasium at the end of their class. Gymnasts are not permitted to wander outside or leave the premises by themselves.

Brentwood Gymnastics Club no longer offers make up lessons if your child misses their class. Gymnasts who attend outside of their designated class will be unable to participate and parents will be called for immediate pick up.

We are a Launchpad accredited club. Launchpad teaches children the fundamental movement skills they need to lead an active and healthy life. Their programs rely on safe and enjoyable activities that challenge participants relative to their abilities and stage of development. Launchpad helps children develop physically, socially and cognitively.

Thank you to everyone who contributed to our fundraisers last year. In 2017, Brentwood Gymnastics Club raised over \$3,000! This will go towards improving the gym.

Our \$40 club leotards are available to order before Monday March 26. Sample sizes are available to try on, just ask one of our coaches.
