The coaching team would like to thank the gymnasts for their continued hard work and positive attitudes during their classes

We are thrilled to announce that Brentwood Gymnastics Club has won the 2018-2019 Monash Business Award in the Health and Science category!

The Monash Business Awards celebrate local businesses that are dedicated to delivering excellent services, exciting opportunities and who have a positive impact on the community.

Thank you to the gymnasts, parents, committee and coaching team who have helped make BGC such a positive environment. This award would not be possible without your support!
